EXPERIENCE

THEORY JULY – NOVEMBER 2013
Paid Accessory Design Intern: assisted the in-house accessory designer in the re-launch of Theory Handbags.

- Created patterns and final samples for the handbag re-launch
- Executed techniques such as fabric bonding at Theory's in-house sample making facility
- Created CADs of accessories for presentations with Creative Director, Olivier Theyskens
- Updated and organized materials and trims

HORSE+NAIL JANUARY – MAY 2013
Accessory Design Intern: responsible for a variety of tasks, working directly for the owner and creative director.

- Updated all social media outlets
- Edited photos and create sliders and invitations on Photoshop and Illustrator
- Updated and organize e-commerce website
- Sourced leathers, materials and trims

CLUB MONACO JULY - AUGUST 2012
Visual Merchandising Team: merchandised stores for each month's new collection.

PINK TARTAN JUNE – AUGUST 2011
Fashion Design Intern: worked on extensive tasks with the fashion design department to prepare for the showing of their Spring 2012 line.

- Cut patterns and fabric for the in house sample maker
- Researched mood images for the creative director
- Photographed garments and edited photos using Photoshop for lookbook
- Created fabric boards for buyer presentations
- Designed a graphic tank top using Illustrator

SKILLS

- Expert at Adobe Creative Suite
- Shoemaking, leather work, resin molding and casting
- Experience with web design software
- Digital illustration and technical flats
- Conceptual mood boards
- Conversant in French
